Dear Mr Peirson,

NEW DERBYSHIRE CONNECT DIAL-A-BUS SHOPPING SERVICE

Following extensive consultation in 2016 on the future of the community transport and the overwhelming support from the public for the service, Derbyshire County Council agreed to continue supporting the weekly Dial-a-Bus shopping services - a service that is available to those who cannot use public transport either because of mobility or disability issues or due to no services currently existing.

From the 2nd October 2017, the service will be provided by Ashbourne Community Transport's Little Bus Company. Ashbourne Community Transport is a registered charity with over 25 years experience of providing accessible transport in Derbyshire.

The new service will cover all villages in the Northern Derbyshire Dales. Initially, this service will run weekly on a Monday, Tuesday, Thursday and Friday and will provide transport to town centres and supermarkets in Buxton, Matlock and Chapel en le Frith. It will remain a door to door service. Please see the enclosed schedule.

Passengers who hold a Gold Card will be able to travel for **FREE**. For other passengers, the usual fares of £2 for an adult single journey or £3.80 for a return will apply. Places can be booked by calling 01335300670 or by emailing enquiries@ashbournect.org.uk

We should be grateful if you could bring this new service to the attention of your members and to publicise it on your website/any literature you may produce. If you have any queries or require any further information, please do not hesitate to contact ACT and ask for Hollie who is our Passenger Services Co-ordinator

Yours sincerely,
