Dear All,

We the Parish Council would like to advise all users of the Children's Play Grounds in Peak Dale and Bathamgate to the safety regulations with regards to the opening of our Play Grounds.

We as a local Parish Council have had to wait for the guidelines from the Government and the County Council as to the best way to way to proceed.

We must all remember that the Covid-19 Virus is still active therefore we all must be very vigilant, the Parish Council have you and your families safety as our main priority.

We are setting out below the following instructions we have received for those of you who wish to use these facilities:

- 1} ONLY 1 ADULT TO ACCOMPANY EACH PLAY AREA USER AND KEEP YOUR DISTANCE FROM OTHER USERS.**
- 2} RESPECT OTHER USERS BY MAINTAINING THE GOVERNMENTS SOCIAL DISTANCING RULES.**
- 3} PLEASE FOLLOW THE GOVERNMENTS COVID-SECURE GUIDANCE AT ALL TIMES.**
- 4} PLEASE CARRY AND USE YOUR OWN ANTI-BACTERIAL HAND SANITISER AFTER YOU OR YOUR CHILDREN HAVE TOUCHED ANY OF THE PLAY EQUIPMENT.**
- 5} REMEMBER THIS IS NOT A CONTROLLED AREA, WHICH MEANS THE VIRUS CAN BE ON ANY OF THE PLAY EQUIPMENT, THEREFORE, CAN BE TRANSMITTED FROM THE EQUIPMENT. PLEASE BE AWARE OF THIS FACT.**

You will be using these Play Ground facilities at your own risk and the Parish Council shall be monitoring the play areas, so please help us to keep you and your children safe, follow the guidelines as above, we do not want to have to close our Play Grounds, unfortunately, if it becomes necessary we will.

Be happy — have fun — play safely — follow the rules.

V. Barry Peirson — Parish Clerk
